

Connect 3!

STRAND: Number Sense - Addition

Materials Needed: 2 six sided dotted dice

Counters – Could be pennies, beans or even gummy bears

Gameplay:

1. Roll the dice with a partner and determine the sum of the dice
2. Cover the sum of the dice with a marker.
3. Try to get THREE in a row!

EXAMPLE:

Player One rolls a 3 and Player Two rolls a 5. The Sum is 8.

Together, they find the number 8's on the gameboard and cover them with a counter!
